

Animals - Ownership Transaction History

Viewing and interpreting an animal/group ownership transaction history

[Contact SPECIES360 Support](#)

The Ownership Transaction History grid is found in the animal/group record Details tab. The grid displays all institutions that have ever had legal ownership of the animal/group. The My Transactions tab only displays Ownership involving your institution. The grid can be exported to Excel or pdf and all of the columns can be sorted by ascending or descending order.

6	 Dec 05, 2002	Donation To	BATTLE CR / M0034	SOUTHBEND / 22129	BATTLE CR

The ownership history above is interpreted as:

1. On July 19, 2001, BATTLE CR recorded a birth with themselves as the owner
2. On July 19, 2001, GREENVISC recorded a birth with BATTLE CR as the owner (this would be a birth in on loan)
3. On March 13, 2002, MILL MOUN recorded ownership of the animal as BATTLE CR
4. On November 20, 2002, SOUTHBEND recorded ownership of the animal as BATTLE CR
5. On December 05, 2002, SOUTHBEND recorded receiving ownership from BATTLE CR
6. On December 05, 2002, BATTLE CR recorded giving the ownership to SOUTHBEND

The green dots on the left indicates that both institutions involved in the transaction confirmed the transaction.

To understand the entire transaction history, you may need to compare this grid with the Physical Holding History grid. See [Physical Holding History](#)
