Animal History

Physical and Ownership Grids

The screenshot shows the ZIMS application interface. On the left is a sidebar with various icons. The 'Animals' icon, which depicts a globe with a blue animal silhouette, is highlighted with a red arrow. Another red arrow points from this icon to the 'Search Results' table in the main window. The table lists animal records with columns for Animal ID, Preferred ID, Animal Type, Scientific Name, Common Name, Sex, DOB/Establishment, and Last Report. The record for ISS13-00110 is selected, and its details are shown in the top right of the table area.
