

## Disabling Google Chrome's Auto-Fill

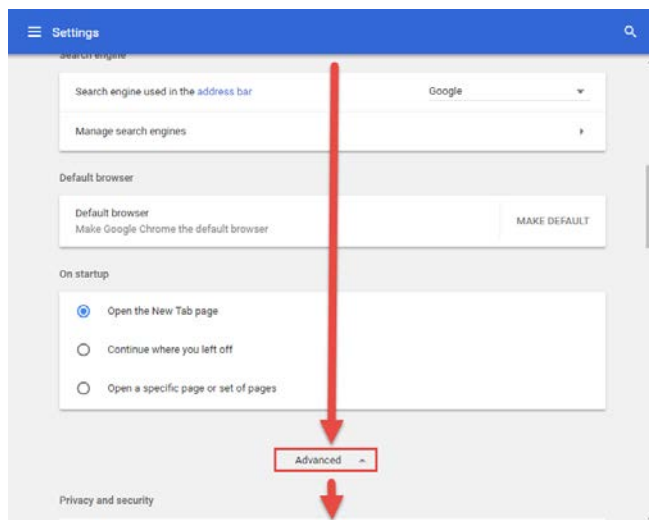

Sometimes the suggestions offered by Google Chrome are not helpful in ZIMS, this describes how to disable this feature.

[Contact Species360 Support](#)

Hamburger menu in the upper right-hand corner> Settings

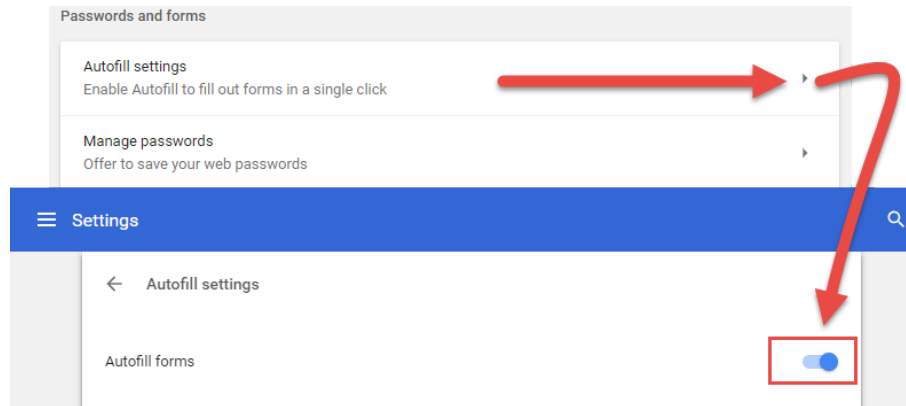

Expand Advanced Settings on the bottom of the page

It is the mission of Species360 to facilitate international collaboration in the collection and sharing of information on animals and their environments for zoos, aquariums and related organizations.
