## **Animals-Adding contraception**

How to add contraception to an animal record in ZIMS.

## Contact SPECIES360 Support

Contraception is found in the Animals module in the Details tab. Select Add New to add a new contraception record.

Add New Contraception	×	1.Although this field is not
Administered By	Adrienne Miller	mandatory, it is often helpful to
Contraception Status	Active 2	know who administered the
Contraception Method *	Medical method- hormonal	contraception.
		2. The Status is also not mandatory
StartDate * 4	Aug 11, 2018 🖸 🗆 Estimate	but helpful.
End Date 5		3. This is a data standard dropdown
Details		to select from.
N	ote Templates 🗸 🛞 🛃 🖓	4. The Start Date is mandatory.
		5.You may not always know the
		End Date. You can record it later
en 💥 💞 🕶 🗐		or, as for this example of a
Depo-provera		hormonal method, you can
6		estimate the end of its effective
1	<b>—</b>	nomiad
4	•	period.
	🛃 Save 🚫 Cancel	6.Record any additional details.

You can have more than one active Contraception at a time. In our example below, a uterine mass was found so a hysterectomy was performed. We added the medical

Contraception.

4	Col	ntrac	epti	on				
D	⊿ }	<b>F</b>	X	<u>.</u>				Actions •
				Start Date	Contraception Method	Contraception Status	Administered By	Reported By
		20400	Q	Dec 01, 2018	Medical method- surgical	Active	Adrienne Miller	GREENVISC
	1	00000	ω	Aug 11, 2018	Medical method- hormonal	Active	Adrienne Miller	GREENVISC
		Pre	ev.	Page 1	of 1 Next Page Size	change		

Due to the surgery we want to mark the hormonal Contraception as Inactive, so we edit that entry and add an End Date.

To search for Contracepted animals use the Advanced Animal Search.

Piedse Select	Please Select	•
Sex Type	Life Stage	
Please Select 👻	Please Select	*
Contraception Method	Contraception Status	
		_
Please Select 💌	Active	•
Please Select ¥ Birth Type	Active	•

Here you can search by Contraception Method or Status. If you select Active Status, this is an easy way to find all of your animals that are currently actively Contracepted.
